

RAPHAEL ACADEMY

Raphael Academy's Scholarship Program

The goal of the Scholarship Program is to increase enrollment at Raphael Academy by offering reduced tuition to families who are unable to pay full tuition due to socioeconomic or unexpected life circumstances. All families are eligible to apply to the program. The number of scholarships are determined annually by the Board of Directors in the spring for the following school year.

The maximum tuition discount available for the 2017-18 school year is up to 50% (fifty percent). The amount of tuition discount is determined on each family's individual financial circumstances and awards will be based on level of need.

If a family wishes to apply for a scholarship position they should:

1. Fill out a full and complete online application through TAD's which can be found on the Financial Assistance tab on the Admissions page (www.raphaelacademy.org).
2. Turn in a **Financial Aid Assistance Questionnaire** to the office manager.

Note: To apply for a scholarship position a student must have already applied and been accepted to Raphael Academy.

Once the Finance Committee has received all of the required application information, they will meet to determine if a family qualifies for a tuition discount. The Committee meets on an ongoing basis until the number of scholarship positions are filled for the school year.
